EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

1. This communication is an Examiner's reasons for allowance in response to application filed on 10/7/1999, assigned serial 09/413959 and titled "Interface For Planning Vehicle Routes".
2. The following is the Examiner's statement of reasons for the indication of allowable subject matter:

After carefully reviewing the application in light of the amended claims and the additional search of all the possible areas relevant to the present application, a set of related prior art references has been found, but those prior art references are not deemed strong to make the application unpatentable. Thus, it is found that the application is now in condition for allowance.

Although the references found disclose several claimed limitations, none of the references discloses a computer-implement system and method for planning a flight routes for an aircraft by a user in the presence of hazards, comprising: receiving data representing a proposed route for an aircraft; the hazards having plurality of different types; represent different type of route data, area boundaries and hazard data together in the same presentation; user can input specifications for the flight plan and modify displayed representations of any portions of the hazard data, such as boundaries, selected types of hazard, threshold intensities data; multiple types of weather hazard have different threshold intensities; also a control for varying the time at which the hazards are depicted in the display (claims 1-21,38, and 44).

Claims 1-9,11-29,31-48, and 50-57 are allowable over the prior art of record.
